The minutes of the December 7, 2010 meeting were approved.

New Business

It was agreed to take the following two items together:

From the Educational Leadership Doctoral Program

- Revise Course Prerequisites/Corequisites EDLD 720, IND/GRP Issues in Lead
- Revise Course Prerequisites/Corequisites EDLD 730, Leading the Organization

There was a Powers/Berger motion to approve/second. Tony Norman presented. He explained that the doctoral program was designed as a cohort program with students working together in core leadership courses. “Cohort hopping” by some students has interfered with this intended structure. Having “permission of instructor” will allow for exceptions for students with extenuating circumstances.

Retta Poe asked the Committee members if they would agree to adding the following three proposals to the agenda. There was a Berger/Maxwell motion to approve/second adding these three proposals. The motion passed.

- Revise a Program – 0433, MAE in Education: Elementary Education for Teacher Leaders
 - Revise a Program – 0434, MAE in Education: Middle Grades Education for Teacher Leaders
 - Revise a Program – 0435, MAE in Education: Secondary Education for Teacher Leaders
- Sherry Powers and Michael McDonald presented. There was a McDonald/Powers motion to approve/second. The motion passed.

There being no further business the meeting adjourned at 3:25.
