Proposal to Revise A Program
(Action Item)**

Contact Person: Thomas Kingery, thomas.kingery@wku.edu, 270-745-5966

1. Identification of program:

- 1.1 Current program reference number: 508
- 1.2 Current program title: Bachelor of Science: Agricultural Education
- 1.3 Credit hours: 120

2. Identification of the proposed program changes: Bachelor of Science: Agricultural Education

The Ag. Ed. Concentration needs to be updated to include courses that are significant to the training and development of future Ag. Ed. teacher educators.

AGED 250 - Required Course for Agricultural Education Majors

Students can take EDU 250 in high school and skip this course. AGED 250 and EDU 250 are not the same course. AGED 250 is EDU 250 but with emphasis on agriculture AND general education. It is a more robust course in work load and for teacher preparation.

Delete AGECE 365

AGECE 365 has not been taught in 10 years. The course has no relevancy in teacher preparation.

LTCY 421 – Required for Agricultural Education Majors

LTCY is now required by all education students in teacher preparation programs in Kentucky as dictated by the EPSB

3. Detailed program description:
(Side-by-side table is required for most program changes showing revised program on the right and identifying deletions by strike-through and additions in boldface.)

Current Program	Proposed Program
<p>Teacher Certification in Agricultural Education</p> <p>A 2.75 minimum grade point average in agriculture, general education and professional education is required for admission to teacher education. Students desiring to become certified to teach agriculture education in Kentucky public schools are required to have a minimum of 50 hours in agriculture including a minimum of 6 hours of plant/horticulture science, 6 hours of animal science, 6 hours of agricultural mechanics (AGMC 170/171 and 371/372), 6 hours of agricultural economics (AGEC 360 and 361), and 6 hours of soil sciences. Computer science requirement may be fulfilled by completing AGEC 365, CSCI 145C or CIS 141. Professional education courses required are AGED 250 (EDU 250), PSY 310, SPED 330, AGRI 398E, AGED 470, AGED 471, EDU 489 and SEC 490. Student must complete 250, 310, 330, 398 before the fall semester of the senior year. AGED 470 and 471 are taught the fall semester. EDU 489 and SEC 490 are completed the student teaching semester, usually the spring semester. Achieve and maintain the required minimum overall GPA of 2.75 for admission to teacher education (In order to student teach the candidate must have a 2.75 GPA or better in professional education, any identified certification area(s), as well as overall)</p> <p>Demonstrate writing proficiency by attaining a 2.5 GPA in English 100 and English 300 or equivalent courses with neither grade being lower that a "C" or by attaining an overall GPA of at least 2.75 (4.0 scale) on an undergraduate degree from an accredited institution. A grade of "C" or higher must be earned in all professional education classes. (If the candidate does not meet this requirement, she/he must contact the Office of Teacher Admission for advisement).</p>	<p>Teacher Certification in Agricultural Education</p> <p>A 2.75 minimum grade point average in agriculture, general education and professional education is required for admission to teacher education. 4. Rationale for the proposed program change:

The courses: AGED 250 is offered in the degree program but are not required. If students do not take AGED 250, I will not see them until they are a senior in AGED 470. This is to long of a gap until they reach an AGED course/instructor.

AGEC 365 has not been taught in the past 10 years. Students have to default to AGECEC 360 as this is there only option. Both AGECEC 360 and 361 will be the only options for the teacher educators by deleting AGECEC 365.

LTCY 421 is mandated by Kentucky legislature.

The cause for requiring these courses is to update the teacher educator's core classes. The changes will reflect a modern listing for agricultural educators. Credit hours for the concentration will not change.

5. Proposed term for implementation and special provisions (if applicable): Fall 2016

CONFIDENTIAL FOR PEC MEMBERS ONLY
Admission and Retention Subcommittee
Meeting Minutes March 18, 2016

Present: Dr. Katie Algeo, Dr. Janet Applin, Dr. Brent Askins, Dr. Martha Day, Ms. Candace Lee, Dr. Beth Pyle, Dr. Fred Stickle, Ms. Betty Yu

The committee met to hear the recommendation from the faculty in the Master of Arts in Teaching Program to dismiss student, X. Z. from the program due to his lack of academic progress in the program. The student's GPA is below the required graduate school minimum of 3.0 and cannot be brought up to the minimum in the allowed 9 credit hours.

The committee heard from Dr. Day representing the MAT program, Ms. Lee representing teacher services, and Ms. Yu representing the Confucius Institute of which the student is a part. The student did not reply to invitation and letter to attend the meeting and did not attend.

After Dr. Day, Ms. Lee, and Ms. Yu were dismissed, the committee deliberated.

A motion was made by Dr. Stickle for the committee to recommend to the full PEC that the student be dismissed from the MAT program. Dr. Algeo seconded the motion and a vote of the full committee was taken.

The motion passed unanimously and the recommendation to be made to the full PEC at the next meeting on April 13, 2016 is to dismiss the student from the MAT program effective at the conclusion of the spring 2016 semester.

The student was sent an official letter through U.S. Mail to his local address as well as sent a PDF of the letter through email.
