Informational items:

1) Dr. Evans wants the Council members to think about whether we should develop a major in secondary education for those programs that have 30 or more hours in professional education. This would be similar to SkyTeach.

2) The next on-site visit for CAEP (formerly NCATE) will be 2018. Jackie Pope-Tarrence will be contacting the different departments soon.

3) KTIP and PEGS – student teaching requirements changing.

Announcement:

Beginning fall 2015 semester, there will be a graduate student tuition discount for KY P12 educators. The first three hours, any term or semester, will be \$495, any beyond three hours will be \$295. There will be a big drive to get the word out about this and Dr. Evans encouraged Council members to spread the word.
