**New Business**

Office of Teacher Services

Presentation of Candidates Completing Requirements for Admission to the Professional Education Unit – April 11, 2007, through May 9, 2007. There was a Ferguson/Lartey motion to approve/second. Two students were withdrawn from the list. The motion passed.

Ogden College of Science and Engineering – Department of Architectural and Manufacturing Sciences

It was agreed to address the following two proposals together:

- Proposal to Suspend a Program, 571, Certification for Technology Education
  - Proposal to Revise a Program, 599, Industrial (Vocational, Career, and Technical) Education
- Wagner/Bland motion to approve/second. Brent Askins presented these proposals. It was agreed to change the first proposal to read Delete a Program instead of Suspend a Program. There were revisions mentioned and some discussion on program 599. The motion to approve both proposals passed.

Ogden College of Science and Engineering – Department of Mathematics

- Proposal to Revise Course Prerequisites MATH 118, College Algebra and Trigonometry
- Brantley/Gelderman motion to approve/second. Jane Brantley presented and the motion passed.
- Proposal to Create a New Course – MATH 106, Academic Support for MATH 116E
- Brantley/Myers motion to approve/second. Jane Brantley presented and the motion passed.

Ogden College of Science and Engineering – Department of Physics and Astronomy
