#### Description of the site and mental health counseling opportunities during practicum or internship

New Adventures Counseling offers mental health counseling to children and families. Experiences focus around the therapeutic needs of each individual, allowing clients to actively engage in their mental health treatment. Interns will be able to create these settings/experiences, guided by their supervisor, and will be allowed space to learn opportunities to grow in the field of Adventure Therapy.

#### Description of the marriage, couple, and family counseling opportunities available (if applicable).

At New Adventures, there are a wide variety of clients in all walks of life. One specialty is family counseling, and interns will have the opportunities to work with this population weekly. There is no marriage or couples counseling available.

#### Characteristics of the population receiving services at this site

The population served is children, approximately 6-18 years old, as well as college age students who transition with us through their teen years. The adults are parents/guardians of the children who are current clients.

#### Primary counseling modalities used at this site

Adventure Therapy

#### Professional development opportunities available at this site

Interns will be able to attend any trainings put on by the supervisor at different locations, as well as attending the Best Practices in Adventure Therapy Conference (depending on year), and the annual Therapeutic Adventure Professionals Group (TAPG) pre-conference. Along with these opportunities, interns will have weekly supervision to discuss all other professional development questions.

#### Days and times facility is open for students to see clients

Monday through Friday, 9a-6p, Saturday's 9a-3p, depending on the time of year.

## Application Process

### Application instructions including site representative contact information

Site representative: Christy Brock

### Estimated due dates for the application materials (summer, fall, and spring semesters)

One month prior to materials needing to be completed.

### Expectations of the student on site

Student will need to be first aid/CPR trained. Students should be able to participate in basic outdoor activities, and able to pass a basic physical (to ensure they are healthy enough to complete activities safely). If student has any allergies (bees, bug bites, etc.), they should share that with site supervisor prior to committing to internship and will be responsible for any and all medical needs (EpiPen, etc). Students will be expected to work outside "normal" client hours and be flexible with time.

**Courses:** Before applying for practicum/internship, CMHC and MCFC graduate students must successfully complete a series of classes including professional studies (identity & ethics), group counseling, social and cultural diversity, counseling theories, and techniques of counseling. Are there other [courses](#) or clinical experience prerequisites that you request of your interns? If so, explain.

Yes No

**Financial compensation** for practicum and internship students is not required (e.g., salary, benefits, stipend, tuition assistance, professional development funds, etc...). However, if available, please describe:
