Notes

Colonnade General Education Program: Denoted in blue. For more details and courses offered, visit the website.
ANTH 120 or ANTH 130 fulfills the **Social and Behavioral Sciences** requirement in Explorations. For the **World Language Requirement**, language proficiency of novice-high before completing 60 credit hours is required (or completion of second level of a language). Two credits (or equivalent) of a single world language in high school satisfies this WKU requirement.

Anthropology Major Program: Anthropology majors must earn a grade of C or better in all core courses in the major: ANTH 120, 125, 130, 135, 399. Course numbers and prerequisites are subject to change; consult with your anthropology advisor each semester. Some upper-level anthropology courses are offered in a limited rotation (one offering each two years); anthropology majors must work closely with their anthropology advisors and pay attention to course rotations and offerings in order to schedule these classes when they are offered.
