

HEALTH SCIENCES

Pre-Physical Therapy

Suggested Courses for Pre-Physical Therapy			
(Note: Check with your potential schools for additional information)			
BIOL 122 Biological Concepts: Evolution, Diversity, and Ecology	3	BIOL 131 Human Anatomy and Physiology	4
BIOL 123 Biological Concepts: Evolution, Diversity, and Ecology Lab	1	BIOL 231 Advanced Human Anatomy and Physiology	4
CHEM 120 College Chemistry I	3	PHYS 231 Introduction to Physics and Biophysics I	3
CHEM 121 College Chemistry I Laboratory	2	PHYS 232 Laboratory for Physics and Biophysics I	1
CHEM 222 College Chemistry II	3	PHYS 332 Introduction to Physics and Biophysics II	3
CHEM 223 College Chemistry II Laboratory	2	PHYS 233 Laboratory for Physics and Biophysics II	1
MATH 183 Introductory Statistics	3	PSY 100 Introduction to Psychology	3
AH 290 Medical Terminology	2	PSY 220 Introduction to Lifespan Developmental Psychology	3

- **Additional required and/or recommended prerequisite courses include English/Communications, Psychology, and others. Be sure to check your desired physical therapy program for their required prerequisites and additional information.**
- **Note: Some schools do not accept AP credit. Consult with your advisor to ensure all prerequisites courses and experience requirements are met by your senior year.**
- **Competitive applications to these programs usually include some degree of extracurricular activities.**
