message from the *president...*

On behalf of the Board of Regents, faculty, staff, and students of Western Kentucky University, I am pleased to share with you our 2013 Fact Book. The Fact Book—an annual publication designed for anyone seeking detailed information about WKU—presents a thorough and useful statistical profile of the University. The Fact Book provides answers to frequently asked questions. It also provides insightful information about demographics related to our students, faculty, and staff.

I invite you to use this Fact Book to increase your knowledge and understanding of Western Kentucky University and to learn more about the special Spirit which defines the WKU experience. It is a good resource for the collecting of information about WKU for most any public or private use. The Fact Book is also available through the Internet at www.wku.edu/instres.

We are engaged in an institution-wide transformation. Our shared vision, to become a Leading American University with International Reach, is in sight. Our intent is to earn a significant list of meaningful measures so as to empirically document the achievement of this bold vision. Our firm resolve is quality and relevance in every measurable way. Data in this Fact Book provides the statistical means by which we compare ourselves to peer institutions. It also allows us to track our progress as we grow, achieve academic strength, and fully internationalize the unique WKU experience.

Should you have comments, need additional information, or have suggestions for future Fact Books, please contact the Office of Institutional Research.

Thank you,

Gary A. Ransdell

2013 updates *& additions...*

2013 FACT BOOK UPDATES
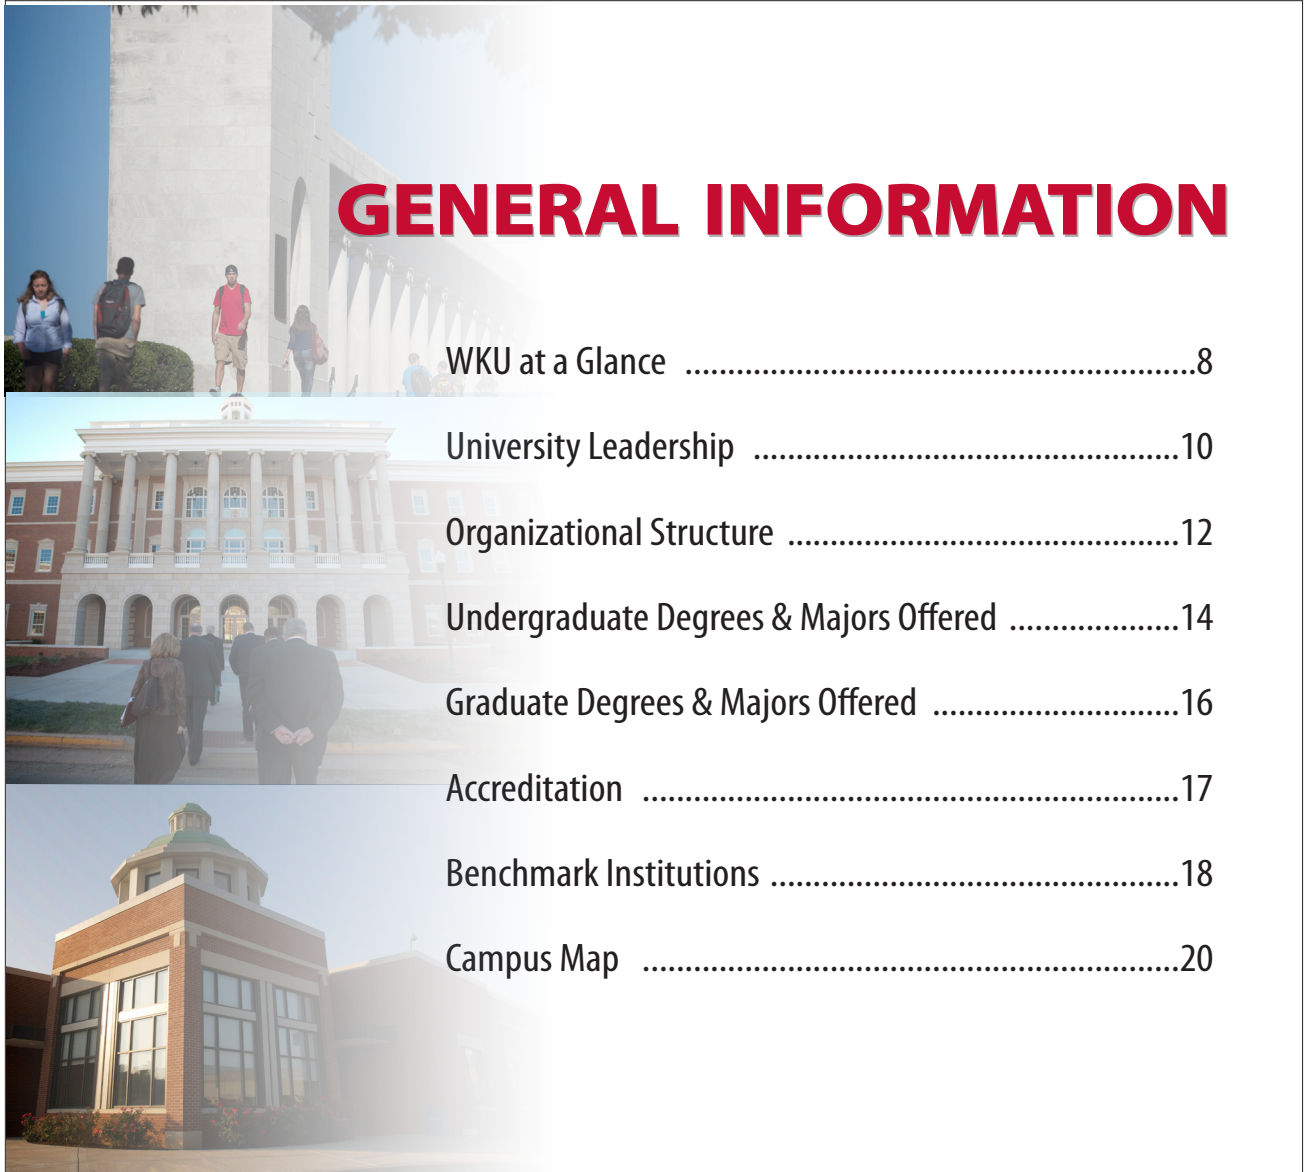

1. Because the Masters of Business Administration (MBA) is an interdisciplinary program within the College of Business that utilizes courses and faculty from other departments, it is no longer reported separately, but is instead reported on the College Summary page (p. 103).

2. Because the Educational Leadership Doctoral Program (Ed.D.) is an interdisciplinary program within the College of Education and Behavioral Sciences that utilizes courses and faculty from other departments, it is no longer reported separately, but is instead reported on the College Summary page (p. 119).

3. Effective July 2012, the Board of Regents approved the department of **Diversity & Community Studies**. This department includes the following academic programs:

- African American Studies
- Aging Studies
- Citizenship & Social Responsibility
- Gender & Women's Studies
- Gerontology
- Social Responsibility & Sustainable Communities

4. The following procedure for calculating **Student Credit Hour Production (SCHP)** was implemented in the 2011 Fact Book:

- Student credit hours are now awarded to Colleges and Departments based on the type and location of the **SECTION** rather than rolling up cross-listed courses into its master section. This is important when assigning SCHP credit for **400G Courses** (graduate sections that are cross-listed with an undergraduate course) as well as **Interactive Video Services (IVS) Courses** that are serving regional campuses. These credit hours will now be reflected under the appropriate level and/or course location.
- Student credit hours generated in **Independent Learning, Cohort Courses, Dual Credit Courses and Navitas Courses** are now included in the calculation of College and Departmental SCHP. Although these hours are not part of faculty workload, they are part of the College and Departments credit hours produced and, thus, are no longer excluded from the student credit hour production presented in the Fact Book.
- The SCHP generated in **Honors Sections** has been added to each college and departmental page. Honors SCHP is shown in total and by lower and upper division credit hours.

UPDATES ON THE HORIZON

Here is a preview of some of the additions and updates you can expect in the 2014 Fact Book edition:

1. Effective for Fall 2013, the Board of Regents approved the department of **School of Professional Studies** within the University College. This department will include Interdisciplinary Studies, Leadership Studies, and Professional Studies.

2. Study Abroad is in the process of refining and expanding their tracking of global learning opportunities at WKU. As this information becomes available, the Fact Book will reflect an **enhanced Study Abroad section.**

3. There will be a revamp of the procedures used to calculate regional campus students to assist in their tracking and decision support needs. Therefore, the **Regional Campus section will be expanded and enhanced.**

important data changes...

Effective Fall 2010, race categories changed to accommodate state and federal reporting requirements making longitudinal analysis inadvisable. Specifically, the former category "Asian/Pacific Islander" was split into "Asian" and "Native Hawaiian/Pacific Islander", multiple races were accepted in a new "Two or More Races" category, and Hispanic students were reported as "Hispanic" regardless of any other race(s) selected.

For more information about the new race/ethnicity reporting requirements, visit the Race/Ethnicity Information Center at **http://nces.ed.gov/ipeds/resource**
