# *Pecha Kucha Night*<sup>™</sup>

As a presenter at Bowling Green Pecha Kucha night, you have the opportunity to present about anything that you love, in a creative format that can be universally enjoyed by a wide variety of people. In order for the Bowling Green Pecha Kucha organization to stay active within the global Pecha Kucha community, it is important for us to actively participate in updating events on the PK website ([www.pecha-kucha.org](http://www.pecha-kucha.org)), which includes providing basic information about presenters, uploading photos, blogging, etc. Please provide us with your email address and consent to use video/audio/images from your presentation, so that we may:

1. Create you a profile on the Pecha Kucha website. (You will be sent a confirmation email and will be able to access/edit your profile on the website).
2. Contact you for future events.
3. Organize videos and images for use on the Pecha Kucha website.
