Owensboro High School student Jacob Ladwig has been named a 2024 National Merit finalist.

Ladwig attends Gatton Academy on the campus of Western Kentucky University.

He is among 15,000 students throughout the United States still in the running to be named a National Merit scholar. Those selections are expected in early March.

The finalists advanced from a pool of 50,000 semifinalists who were chosen based on their Pre-SAT scores, with them being the highest scorers in each of the 50 states, representing less than 1% of each state's high school seniors.

National Merit finalists have about a 50% chance of being selected as a National Merit scholar, with 7,250 chosen.
