Resolution 3-12-F Resolution to Support Having a Food Court on South Campus

PURPOSE: For the Student Government Association of Western Kentucky University to formally support having a food court on South Campus at Western Kentucky University.

WHEREAS: Western Kentucky University currently does not have a South Campus food court, and

WHEREAS: The Student Government Association of Western Kentucky University supports the University bringing the food court back to South Campus, and

WHEREAS: Doing so would provide nourishment needed by all people, and

WHEREAS: The lack of not having a food court has several negative consequences for all parties involved, and

WHEREAS: These consequences include but are not limited to: waste of meal plans and meal plan dollars, not adequate time to travel to get food, insufficient vending machine alternatives, and

WHEREAS: The use of the "Grab-and-Go" at the bookstore is not a valid alternative, with poor selection of food and lack of hours, and

WHEREAS: The students and faculty of South Campus feel degraded, neglected, and unrepresented by this choice, and

WHEREAS: The Student Government Association of Western Kentucky University in addition to the students and staff of South Campus agree that surveying all parties involved or alternative changes to the South Campus food court should have been taken first, and

THEREFORE: Be it resolved by the Student Government Association of Western Kentucky University that formal support be given to bringing back the food court to South Campus, and

THEREFORE: Be it further resolved that the Assistant Vice President of Auxiliary Services provide a written and/or oral report detailing how the decision to close the food court was made, as well as outlining options being explored to provide food services to South Campus to the Student Government Association of Western Kentucky University not later than 6 November 2012.
