Topics might include writing about spouses, children, and friends; giving and applying constructive feedback; and developing the characters in a memoir.

FALL DATES/LOCATION/PARKING

SLL

FALL DATES:

September 15 - November 5, 2020

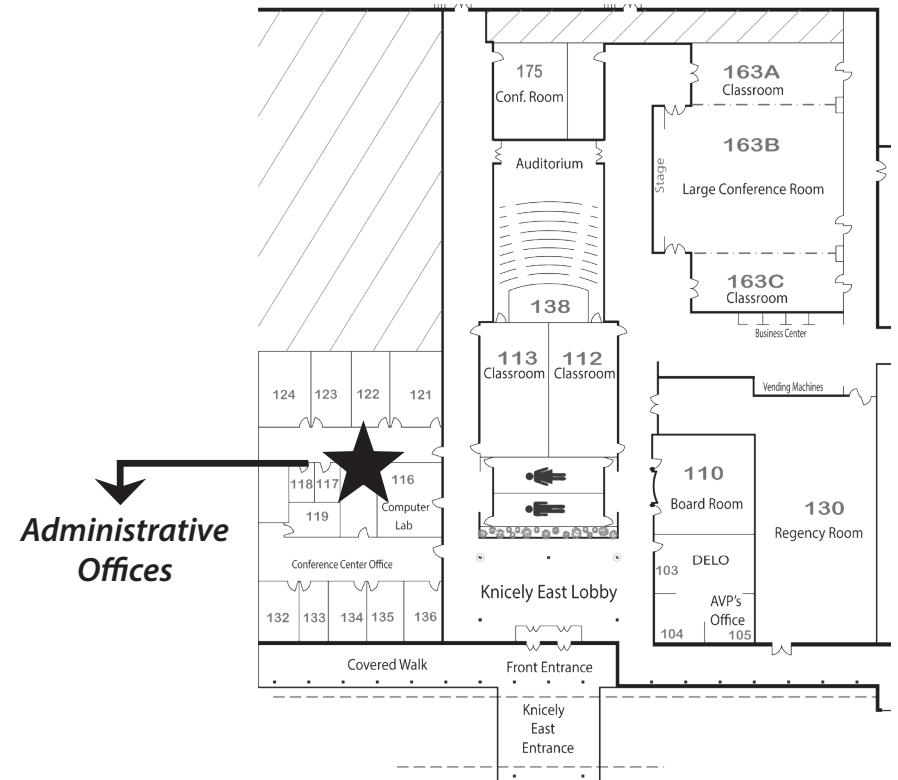

LOCATION:

*Knicely Conference Center, WKU South Campus
2355 Nashville Road, Bowling Green, KY 42101*

PARKING INFORMATION:

Parking available outside the East Lobby entrance and across the drive in the secondary parking lot. Handicapped spaces are available for cars with permits.

In 2014, the WKU Division of Extended Learning and Outreach (DELO) formed an exploratory committee of interested community and University members to explore the possibility of creating a lifelong learning program for area residents over 50. The group convened in April of 2014 and spent several months reviewing similar programs from around the country, the demographics of the region, and the viability of creating a program at WKU.

The Society for Lifelong Learning (SLL) at WKU is a University-supported membership organization whose mission is to provide opportunities for adults age 50 and over, living in south-central Kentucky, to further their knowledge in both academic and recreational pursuits and to share their experiences and interests with other members.

Members of the group gathered positive feedback from members of a variety of area clubs and organizations. Based on this input, the group recommended the formation of the Society for Lifelong Learning at WKU (SLL) and agreed to continue as its founding Advisory Board. After hosting a successful open house for the community in November of 2014, the Board approved dates for an inaugural term in Spring 2015 and charged the Curriculum Committee and the Membership Relations Committee with preparing for the upcoming launch. In December 2014, the Board approved the first set of by-laws, which included our mission statement (see above).

Membership & Voting Rights

Membership is open to adults 50 and over upon payment of membership dues. The dues are reviewed annually and set by the Advisory Board. Dues entitle all members to enroll in curricular offerings upon payment of the appropriate fees, to

vote at the annual meeting and at any special meetings of the membership, and to participate in special program events. The annual meeting shall be held in the fall of each year on a date set by the Board.

In addition to the single term and annual membership, there is a new flexible membership available. Members who pay for the annual or single term membership are invited to take as many classes as they wish. Flex members pay a small fee per term plus the individual course charge.

Opportunities

Your participation is a great way to develop new friendships and be actively engaged with the Society. There are many ways to get involved!

- Suggest new courses or other programming for an upcoming term.
- Volunteer to serve on a new or existing committee.
- Share your knowledge by leading a course.
- Volunteer for a special event.

Inclement Weather Policy

The SLL will follow WKU Inclement Weather policy and procedures. Notification of delays and cancellations can be found on local media and the WKU website (wku.edu).

Photo/Video Release

By joining the Society for Lifelong Learning, you acknowledge and understand that photographs and videos may be taken and used for SLL publications, SLL social media, and any other SLL promotional applications.

WKU Policies

Our members must comply with WKU policies on solicitation, sexual harassment, and disruptive behavior.

Please note that the WKU Knicely Conference Center has rules which prohibit food or beverage service by anyone other than Aramark; however, you are welcome to bring food/beverages for yourself to meet any specific nutritional guidelines.

Donations: How You Can Help

The SLL is a program within the WKU Division of Extended Learning and Outreach, and your membership fees contribute to the operating costs of the program. However, additional support would allow us to do more to serve you. Please join with other members to support the organization through a tax-deductible donation to the SLL Member-Endowed Fund.

Your support, no matter the size, will make a difference for the SLL. Additional funding for the program can be used to reduce membership fees and to enhance programming including transportation for field trips and speaker fees.

Please visit alumni.wku.edu/sllendowment or call 844-WKU-GIVE (958-4483) to make a gift today.

Sponsorship Opportunities

Sponsorships provide a way to directly support a specific SLL initiative or event. Your support will offset the costs associated with the sponsorship opportunity and will allow SLL to allocate those funds to other programming needs. Through sponsorship support, all SLL programming will be enhanced and you will have the satisfaction of assisting SLL in achieving long-range goals.

The following are examples of available sponsorship opportunities:

- \$250: Coffee Service for One Week
- \$1,200: Food for Thought Event Sponsorship
- \$1,500: Great Decisions Course Sponsorship
- \$2,000: Volunteer Recognition Reception Sponsorship (One per term: Fall and Spring)
- \$2,000: Catalog Printing (One per term: Fall and Spring)

Sponsorship recognition will be included in emails, on the SLL website, in event signage, and in print publications when appropriate. For more information on sponsorships, please contact Ron Wilson in WKU Philanthropy & Alumni Engagement at (270) 745-8727.
